Thai Nonwoven Fabrics
Industry Trade Association

July 6 - 8, 2022

Organized by:

E. J. KRAUSE &
ASSOCIATES, INC.

www.andtex.com

SUPPORTED BY:

BE A PART OF THE LARGEST INTERNATIONAL NONWOVENS EXPO IN SOUTHEAST ASIA

ANDTEX is the premier nonwovens industry event in Southeast Asia. It is the meeting place for nonwovens and engineered material producers, researchers, users, and industry leaders from around the world. Gather with 4,000+ international attendees to explore the wealth of new business opportunities for nonwovens and hygiene products.

After a successful 1st edition, the nonwovens industry continues to see rapid development within Southeast Asia. ANDTEX 2022 is expected to host 200+ exhibitors, accompanied by a top-level educational conference highlighting the latest technological advances, trends, and sustainable initiatives as well as various panels, presentations and meetings dedicated to the expansion of the industry.

Demand in the region is high and this growing sector is ripe for development. Highlight your products and connect with quality leads. Join us today!

EXHIBITOR PROFILE

Applications

Agriculture / Horticulture
Building Wall Coverings
Carpeting
Civil Engineering
Electronics
Filtration
Hygiene, Medical
Home furnishing & furniture
Cleaning/wiping/absorbance
Interlinings
Leather goods, shoes
Packaging
Protective wear

Materials & Products

Adhesives, hot melts
Binders, latex, additives
Fibers and Filaments
Films, membranes
Fluff Pulp
Polymer Chips or granules
Scrim & other reinforcements
Super absorbents
Surface treatment chemicals
Tapes elastics
Tissue, papers
Wadding
Web preparation machinery

Machinery & Equipment

Web forming machinery
Web bonding machinery
Forming and drying equipment
Accumulators, slitters, winders
Finishing equipment
Absorbent hygiene machinery
Wipes converting machinery
Coating / lamination
Ultrasonic bonding
Waste handling machinery
Manufacturing auxiliary
Online monitoring

ATTENDEE MARKET SEGMENTS INCLUDE:

- ◆ Medical/Surgical
- ◆ Protective Wear
- ◆ Absorbent Hygiene
- ◆ Wipes
- ◆ Filtration
- ◆ Automotive
- ◆ Home & Office Furnishings
- ◆ Packaging
- ◆ Construction
- ◆ Apparel
- ◆ Agriculture

more than **200** EXHIBITORS

4,000+ ATTENDEES

from more than **30** countries/regions

6 National/Regional Pavilions:

China, Japan,
Indonesia, Germany,
Hong Kong, Taiwan

ANDTEX 2022 - THE EVENT FOR ALL INVOLVED IN NONWOVENS & INDUSTRIAL TEXTILE INDUSTRY

Knowledge Means Business

Industry Innovation: Succeeding in Southeast Asia's Nonwovens Market

The nonwoven and textile industry is developing at a rapid pace. The ANDTEX 2022 Conference delivers the strategic and tactical knowhows, actionable solutions, as well as insights for navigating business opportunities in the region. Learn:

- New technology and market trends to help develop and secure new business
- Best practices for succeeding in Thailand and Southeast Asia's nonwovens market
- Developing innovative outsourcing strategies while updating policies and procedures

PAST EXHIBITORS INCLUDE:

“Reicofil had a positive experience at the show. The size and attention of the visitors at ANDTEX 2019, was especially great from a “first-time-show”.

We are looking forward to the next ANDTEX where we will be participating with a much bigger booth and supporting this important industry event for the region.”

Mr. Markus Müller,
Sales Manager of REICOFIL

www.andtex.com
